

## USA Softball Non-Approved Bat List with ASA Certification Mark

June 2, 2026

This list depicts the previously USA Softball certified bats that failed a USA Softball sponsored field audit and that also carry the 2000 or 2004 ASA Certification Mark. It also depicts any bats that had marks prematurely put on the bat without approval of USA Softball. This list is intended for informational purposes only.

| Manufacturer                                                                        | Bat Name          |
|-------------------------------------------------------------------------------------|-------------------|
| Bass                                                                                | Quake             |
|    |                   |
| Combat                                                                              | VIRSP3 Lady Virus |
|   |                   |
| Data Driven Athletics                                                               | 314159 PI         |
|  |                   |
| Easton                                                                              | SCN1              |
|  |                   |
| Easton                                                                              | SCN11BH           |
|  |                   |
| Easton                                                                              | SCN1B             |
|  |                   |
| Easton                                                                              | SCN2B             |
|  |                   |
